*Denotes events that may impact the Caesar Rodney Alternate (CR) Logo on social media platforms (Facebook, Instagram, Twitter) and the District website home page gallery. These events represent items that are of particular significance to the Caesar Rodney School District by historical relevance; proximity; and community demographics. It is intended to solely give these events greater thought and exposure around their meaning. These events are not elevated above any other events.

Cultural observation events are eligible for promotion via the district’s public-facing outreach - including, but not limited to: quarterly newsletter, social media platforms, or local media recognition. Only the logo-impacting events will be potentially featured with image “frames” that modify the logo in any way. The annual logo impacting events will be submitted to the Superintendent prior to the start of each academic year.
