Dear Students and Parents:

First, let me say that I hope this finds you staying well and busy. I am well and staying as busy as possible in my house, but I MISS BAND AND I MISS ALL OF YOU!! So, let’s see if we can connect with each other and keep our instrument skills in shape until the next time we can be together in person.

For starters, our main means of communication will be right here on our page of the school website. Keep checking back here, because by next week, I’m going to have music posted for you to practice. Some of this will be our concert music that we were working on already (you will be able to print out your part if you don’t still have it). I’ll also upload some fun stuff to play. In addition to playing, I will post some activities for you to sharpen skills like note and rest reading, musical terms, etc.

After your zoom sessions with your classroom teachers have settled into a schedule, I’ll open up some chat sessions for 6th grade band. It will be a great time for you to ask questions, or play a section of music you’d like me to comment on – or maybe just check in to say hi.

Check back next week! In the meantime, get out your instrument and make sure it’s in working order. You can ALWAYS play your warmup scale and favorite songs from our book. Hang in there and take care.

~Mrs. Sandlin
