

## Welcome Back to the 2020 - 2021 school year!

Here are some tips and information to help you be successful while we transition back to school in a remote learning environment.

### How Will I Connect With My Teacher?

We are using Zoom for our remote platform. All teachers have a daily template they will use to ensure communication is clear for our students and their families. It will look something like this:

To access the template:

1. Have your child log on to Clever ([clever.com/in/crk12](https://clever.com/in/crk12)) and click on the Schoology icon.
2. Students will then click on “**Courses**” to find their **Scheduled Class Period**.
3. Look for the **Remote Learning Daily Template** to find your links and activities for the day.

### What Will the Day Look Like?

Secondary students will alternate from a “Blue” day to a “Gold” day. On the blue day, they will rotate through the first 4 periods and on the gold day they will have periods 5, 6, and 7. All classes will run with a live teacher for the first hour and have office hours for the 30 minutes following the period. On the gold day, teachers will be available to all students from 12:30 - 2:30 as needed. Students will attend their Zoom sessions every day.

Blue Day	Gold Day
7:30 – 8:30 Period 1 *	7:30 – 8:30 Period 5 *

### What if I Need Help with Technology?

The Caesar Rodney Technology Department has set up two hotline numbers for technology assistance from home. These numbers will not be answered by a “LIVE” operator. However, if you leave a voicemail message or a text message, a work order will be generated and a technology staff member will return your call to support you at home. Below are the two numbers that can be contacted:

**(302) 612-2839 – Technology Hotline**

**(302) 698-7950 – Technology Hotline**

### What Do I Need to Know About Zoom Expectations?

- Students must use their CR Google account to sign into the Zoom.
- Cameras must remain turned on. (If a student has a concern with their camera being on, please contact your child’s teacher.)
- Teachers will teach students Zoom norms and set up classroom agreements throughout the first week of school.
