Happy Spring!

Our amazing PTO has set up a fundraiser at Texas Roadhouse for April 13, 2021 from 3 – 9 pm. You can dine in or take out and 10% goes to our PTO. You do have to present this flyer for the donation to go to the PTO.

Our PBIS team has created a virtual incentive to celebrate passing grades for all classes for the 3rd marking period. Our third marking period ends on March 31st. The celebration, for students meeting the requirements, will be on April 14th in the afternoon. It is organized into separate celebrations for our three grade levels. There will be a DJ, music, trivia, dancing, and more. Special breakout rooms will be available, too. Students are encouraged to get their work turned, to do their best on assignments, and attend their teachers’ office hours. More information will be shared soon about this exciting event. If you have any questions about this event, please email Mr. Williams at freeman.williams@cr.k12.de.us.

Please be sure to check the school or district website to see proposed information regarding the new Magnolia School for middle school students in the Caesar Rodney School District. Information is shared regarding proposed neighborhoods and living areas and where students are drafted to attend school.

These links will provide you with the learning calendars, learning schedule, and Spread the Word calendar for your convenience.

Upcoming dates:

March 24 – Enrichment cluster for students @ 1pm via Zoom

March 31 – Marking period ends (please check your child’s grades and attendance on Home Access Center)
