

September 25, 2022

As a reminder, here is our parking and spectator plan for September 28th.

- You may park in the front parking lot in slots and in the back. Try not to park on the grass on the Allen Frear side of the building or on the baseball/softball side of the building due to cross country practice. Please be very cautious because other practices are still going on. Please proceed slowly and do not block the movement of traffic in the back (keep the sides of the track open so cars and buses can exit).

For other home games not listed above for the month of September, you will only be able to park in the front parking lot. We will have the back lot blocked off due to the amount of students practicing. Again, please be careful about parking on the grass so we do not block our cross country runners' path.

Interest / club meetings / activities coming up:

- Mrs. LeNoir's beginner band – 1st lesson is Monday, Sept. 26th
- Student Council – Tuesday, Sept. 27th after school until 3:10 pm
