Principal's Message

As we approach the fourth marking period, we enter the Smarter Balanced assessment period. If your child is in third, fourth, or fifth grade they will participate in the Reading and Mathematics assessment. In addition, fifth graders will take the science assessment and fourth graders will take the social studies assessment. As a school, the testing time frame will be from April 1, 2019 and will continue until mid-May with make-up days provided until June 1, 2019. However, your child's teacher will notify you of the specific dates and times that your child will be testing. We are confident that our students are well prepared for this assessment and we will embrace it with an opportunity for our students to showcase their learning! Our students here at Frear are all champions of learning! We will also be having a celebration for their hard work and dedication to learning.

Students participating in SBAC testing will get to attend a field trip to the Dover Skating rink after testing is complete. May 20th- 3rd grade, May 21st- 4th grade, May 22nd- 5th grade

Important Information!
