A = 92 - 100   B = 85 - 91   C = 75 - 84   D = 70 - 74   F = Below 70

PROMOTION POLICY

Students must receive a passing final grade in English, Mathematics, Science, and Social Studies to be eligible for promotion to the next grade level.

HOMEWORK

Appropriate homework assignments are an integral part of the educational program. The amount of homework will vary from subject to subject and from teacher to teacher. Students should complete their assignments independently, but parents should monitor their student's progress closely. Homework should be checked by parents as well as by the teacher.

With assistance from parents, students need to organize their time in order to complete school responsibilities and still have time to interact with family and friends in meaningful activities outside of school. Students should set aside a definite time and place for doing homework each night. Students should make attempts to have all necessary materials at home to assist with homework completion. Use this handbook (or a similar
system) to record homework assignments while at school so that there will be no confusion over what needs to be done at home.

**INTERIM REPORTS AND REPORT CARDS**
Interim reports and report cards will be posted on Home Access Center (HAC) and grades can be monitored at all times during the year on HAC. If a grade of D or F is earned in a subject, parents are strongly encouraged to **contact the teacher to schedule a conference**. Early communication and cooperation between the home and school may prevent failure. To contact a teacher via email you may do so by using this address: firstname.lastname@cr.k12.de.us (all lower case).

**HONOR ROLL**
Any student who earns a “B” average or better in all graded subjects will be placed on the Honor Roll list for that marking period.

**NATIONAL JUNIOR HONOR SOCIETY**
The chapter is governed in all matters by the rules, regulations, and Constitution of the National Junior Honor Society (NJHS). "Membership in the National Junior Honor Society is both an honor and a responsibility. No student has a right to belong to the National Junior Honor Society. Students selected for membership are expected to continue to demonstrate the qualities of scholarship, service, leadership, character, and citizenship" (NJHS Handbook, 1992 ed., pg.13).

To meet the **Scholarship** requirement, a student must demonstrate scholastic achievement by maintaining a grade point average of 3.5 or higher throughout the first three [3] marking periods of 7th grade or 8th grade. The student also understands real scholarship is far more than grades achieved, courses passed, or books read. It is a life-fulfilling process, and demonstrates skills and study habits necessary to achieve goals. To meet the **Service** requirement a student must have been active in three or more community or school activities. **Leadership** is based on the student's level of participation in two or more school activities and/or on qualities of leadership, which may have been observed in the student's interaction with others. **Character** is based on documentation of the student's integrity, behavior, ethics and cooperation with students, faculty members, and the community. **Citizenship** is based on documentation of the student's participation in civic-related organizations and/or activities.

The following procedure is used to select students for membership in the Magnolia Middle School Chapter of the NJHS.

- Students who qualify based on GPA will be asked to complete an application for membership.
- The Faculty Council will consider and may request additional information on all eligible candidates in the areas of service, leadership, character, and citizenship.
- **Selection for membership will be by majority vote of the Faculty Council** (made up of representative members of the Magnolia Middle faculty). Selected students will receive a letter from the school notifying them of their selection.
- If the principal finds reason to believe that there may have been errors in the selection process, the principal will review the process for compliance with the guidelines published by the National Junior Honor Society. If significant process errors are found (i.e., errors which could have affected the final decision on a student’s selection), the principal may direct the Faculty Council to conduct the screening again using proper procedures.

**PARENT-TEACHER ORGANIZATION (PTO)**
The Parent-Teacher Organization (PTO) focuses on the promotion and development of a better understanding of educational awareness and communication between the parents, teachers, and student body.

**EMERGENCIES • LATE OPENINGS • CLOSINGS • CANCELLATIONS**
The District Superintendent will issue an automated message to all families with any late opening or school cancellation. Please make certain all family contact information is accurate and updated so you may receive important messages. You can also access the state website at www.schoolclosings.delaware.gov for closing information. Announcements may also be made on local radio, television stations, and school social media. PLEASE DO NOT CALL THE SCHOOL OR DISTRICT OFFICE FOR INFORMATION.
If school is closed due to a weather emergency or other emergency situation, the day(s) may be added to the end of the regular school year calendar.

STUDENT INFORMATION

DISCIPLINE
In order for learning and teaching to take place, proper order must be maintained. Students should exhibit good manners and demonstrate appropriate behavior for the benefit and safety of themselves and others. Students and parents should thoroughly familiarize themselves with these policies and discuss them at the beginning of the school year. The District Code of Conduct is enforced anytime a student is on school grounds, on the bus, or attending any school or district activity.

Prohibition of Bullying Which Includes Cyberbullying
The Caesar Rodney School District prohibits the bullying of any person on school property or at school functions or by use of data or computer software that is accessed through a computer, computer system, computer network or other electronic technology of the school district from grades kindergarten through grade twelve. In addition, cyberbullying is prohibited by students directed at other students. Incidents of cyberbullying shall be treated by each school district in the same manner as incidents of bullying (Please refer to the District's Cyberbullying and Bullying Policy in the District's Student/Parent Handbook).

School Crime and Bullying Contact Information
Delaware Department of Justice, School Ombudsperson, 1-800-220-5414

State/District Mandatory Reporting Policies
State law dictates that all felonies, sexual offenses, organized gambling, assaults, extortion, weapons, drug and alcohol offenses, incidents of offensive touching, bullying, offenses against school personnel and/or property and information about gang activity must be reported to the local police and/or the Department of Education.

Secret Societies
Secret fraternities, sororities, or other clubs made up of students from public school are prohibited. Secret fraternities, sororities, or clubs have been adjudged by the courts to include those social clubs, operating off campuses that, nevertheless, derive their membership wholly or in part from the public schools. These organizations practice a process of selection designed to create an exclusive membership and which seek by this process to maintain the club's segregation distinction and caste system of self-perpetuation, rushing, pledging, and undemocratic selection of new members.

Gang Activities
Student behavior that is "gang" related is prohibited at school or at school sponsored events. Students who engage in such activities shall be suspended until the matter is resolved. Gang paraphernalia, clothing, grooming or any activity that indicates or implies membership or affiliation with a gang presents a clear and present danger to the educational environment is prohibited. Students who violate this policy will, by such action, immediately forfeit all privileges of participating in extracurricular activities, honors, or offices.

Student Behavior and Discipline
All teachers have been informed to be on the alert for any student behaviors that are in violation of school regulations. Students should behave in a manner that will be a credit to our school. All students should read the student rights policy printed in the District Calendar for additional information and be aware that certain decisions may be appealed as outlined by that policy.

Detentions
Students may be assigned a detention by the administration or any other member of the staff. Detentions may be assigned for tardiness to school or class, not submitting a legitimate excuse for being absent from school, classroom or hallway misconduct, or other disciplinary problems. Students serving detention should report directly to the room listed on the detention form. Teachers must give 24 hour notice for after-school detention in writing and attempt to contact the parent(s) via phone so transportation can be arranged. If the student is
absent on the day of the detention, the student is expected to make-up that detention on the day the student returns to school. Students failing to attend a scheduled detention will be assigned additional disciplinary consequences.

Suspensions
In-School Suspension or Out-of-School Suspension may be assigned by an administrator for inappropriate behavior.

Expectations for Hallway Behavior
Students should keep to their right, walk instead of run, and keep their hands and body to themselves. They should not litter, yell, loiter, or use profane or inappropriate language. Students will be expected to dispose of food, beverages, and other non-permissible items outside of the cafeteria. Earbuds/headphones are not to be worn in ears in the hallways. Abuse of, or defiance toward, any staff members will result in disciplinary action. While in the hallways students are expected to keep moving and to follow the directives of ALL staff members.

Classroom Rules/Norms
Classroom rules/norms are made by individual teachers and may supplement school-wide rules/norms. Individual classroom expectations must be followed.

The following behaviors are unacceptable and will result in appropriate disciplinary action.

**Academic Dishonesty**

Academic dishonesty includes, but is not limited to, cheating, plagiarism, or unauthorized collaboration with another person or persons. Cheating includes the actual giving or receiving of unfair advantages on any form of academic work. Plagiarism includes offering the words, ideas, or academic responses of another as one’s own. Such dishonest behavior will result in all students involved completing an alternate assignment and may result in additional disciplinary consequences, including suspension. Continued violation of this policy will result in more severe disciplinary consequences.

**District Cell Phone Policy**

We encourage cell phones to be turned off and kept in the locker each day. Students found in possession of electronic communications equipment, such as cellular phones and smart watches, that is turned on, rings, emits any audible sound, vibrates, or is being used inappropriately on the school bus, or from the time the student day begins until school is dismissed, will be subject to disciplinary action. Students serving detention, extended day and/or in-school suspension will not be allowed use of electronic communications equipment until after serving detention, extended day or in-school suspension. Violators will be subject to disciplinary action. Students that use cell phones to help monitor medical concerns may have their cell phone with them as part of their medical plan. However, students using their cell phone as a medical device are only permitted to use the phone in accordance with their medical plan.

Riding a bus other than your own is not permitted due to the safety of our students. Exceptions can be granted upon approval from the Administration. Written consent from all parents/guardians must be submitted to the Main Office for approval. District transportation is a privilege that students must respect or they will be denied this privilege. Students who violate school bus rules may receive in-school interventions and consequences for bus violations.

Students and Staff Acceptable Use Policy

Please refer to District Policy guidelines in the Student/Parent District Handbook. (https://www.crk12.org/domain/635)

LOCKERS

At the beginning of the school year, students are assigned lockers that are fitted with a combination lock. It is the student's responsibility to keep his/her locker clean at all times. Students are responsible for the security and care of their lockers. Students may use only the lockers to which they are assigned. Do not give your locker combination to anyone. The school is not responsible for anything missing from lockers. Locker sharing or switching is not permitted.

Locker Inspection

Lockers are NOT the students’ private property. Lockers are district property which students are permitted to use for their convenience. The administration reserves the right to search lockers at any time and for any reason. Lockers will be checked for neatness on a regular basis. Students who misuse or damage lockers, fail to maintain clean lockers, have in their lockers school property that was not assigned to them (library books,
etc.), or use the locker for excuses to be late to class, will be denied the use of a locker for a period of time determined by the principal.

**Locker Problems**

If a locker fails to operate, follow these procedures: On a piece of paper, 1) write your name and grade; 2) your locker number and combination; and 3) the problem. Turn this information into the main office. The office staff will contact the custodian for assistance for you. If your locker fails to operate repeatedly, report it to the Dean of Students as soon as possible.

**Lockers in PE/Athletics**

Physical Education students are permitted to use the lockers during P.E. class only; locks must be removed at the end of class. Students are responsible for supplying their own lock. Keep belongings securely locked during P.E. The Physical Education Department and Magnolia Middle School are not responsible for lost or stolen items. Students must keep their belongings locked in a locker at all times.

**Lost and Found**

The lost and found is located in the Cafeteria. Articles found around the school should be taken to the Main Office. The owner, with identification, may claim lost items. Unclaimed clothing will be turned over to a charitable agency.

**Meals (Breakfast & Lunch)**

For the 2022-2023 school year, students will be provided breakfast for $0.70 and Lunch for $1.10. However, additional items in the form of additional beverages and snacks may be purchased for a fee. Students also may bring lunch from home. Forms for free or reduced lunch are available in the office. Cakes/cupcakes/sodas, food from home, etc. are not to be brought to school and issued to other students.

The cafeteria operates on a non-profit basis for the benefit of the student body, and participates in the Federal Lunch Program. Students are provided with nutritious meals at a nominal fee. Students are not permitted to charge lunches, as the cafeteria must operate on a cash basis for its bills.

The lunchroom management and your fellow students will appreciate your cooperation in:

- Arriving on time.
- Taking a seat after getting your lunch and staying there until dismissed by a principal or staff member.
- Depositing all lunch litter in wastebaskets.
- Returning all trays to the dishwashing area.
- Leaving the table and floor around your area clean for others.
- Leaving books, book bags, or gym bags in your locker or classroom.

NO FOOD OR DRINK MAY BE TAKEN FROM THE CAFETERIA AT ANY TIME.

Failure to follow any cafeteria procedure may result in clean-up duties, lunch detention, regular detention, or suspension.

**Pre-Payment Options**

This school year, 2022-2023, we are offering a new, free on-line payment service through TITAN School Solutions. You may log onto [https://family.titank12.com/](https://family.titank12.com/) to electronically add money to your children’s cafeteria accounts, monitor their balances, and receive notifications for low balances. TITAN School Solutions offers three free payment methods; scheduled payments, instant payments or household accounts payments. Again, this is a free service for all online payments $15.00 or more. Have multiple children in the household? If so, you can make one $15.00 "household payment" for use by multiple children.

Please take advantage of the options to prepay your student's meal accounts. Prepaid meal accounts help the lunch lines go faster and gives students more time to eat, relax, and play. It also gives you the peace of mind of not having to worry about looking for lunch money every day or worry that it might get lost, stolen or used for other things other than lunch.
The online payment site also gives you the option of signing up for free emailed, text low balance reminders and the ability to track your child's spending.

**Online Payments**

Online payments are a simple, safe and secure way to make payments to your students account 24 hours a day at your convenience.

**Send Check or Cash**

You can always bring money personally or send it with your student. Please place it in an envelope marked clearly with your student's name, their ID #, their teacher's name, the $ amount and the check #. Turn in prepaid deposits to the cafeteria cashier(s) or school office.

**Personal Property**

The school is not responsible for lost or stolen items. Leave valuable items at home. PLEASE DO NOT BRING LARGE SUMS OF MONEY OR VALUABLE ELECTRONIC EQUIPMENT TO SCHOOL. Label all personal property and record serial numbers or identifying marks.

The following items are not permitted in school: fireworks, mace or pepper gas, pagers, skateboards, water guns or play guns, cameras and any other items which the administration determines are disruptive to the educational process. These items will be confiscated and appropriate disciplinary action will be taken.

Protecting valuables during Physical Education and athletics: During Physical Education class or athletics, any money or articles of clothing of value should be locked in hall lockers, locked in gym lockers, or turned in to the coach or PE teacher before class or practice begins. It is recommended that all students bring a lock to secure personal items in a locker during class. The lock and items must be removed after class. The school is not responsible for lost or stolen items.

**Textbooks, Library Books, Computers and Instructional Materials**

Students are responsible for the security and care of textbooks, library books, and all other instructional materials assigned to them including computers and other technology. It is costly to replace this property; therefore, students will be held accountable for damages or losses.

If this agenda book is lost or destroyed, a replacement agenda book may be purchased at a cost of $5.00.

**Transfer or Withdrawal**

Students withdrawing from Magnolia Middle School should, if possible, notify the main office at least one week prior to his/her last attendance day. Each teacher must sign a withdrawal form, and all books and materials must be returned. Missing or damaged books and materials must be paid for prior to withdrawal.

**Visitation Policy**

Parents/Guardians are encouraged to visit the school. According to Delaware State Law, visitors MUST report to the main office. Parents/Guardians who wish to visit classes must contact the main office in advance to make appointments. Parents/Guardians are allowed to eat lunch with their child. You may not bring in food for other children or drop off food for other children for mealtimes. When visiting, parents will refrain from photographing or videoing children during school hours or disrupting the educational process.

**ABSENCES AND EXCUSES FROM SCHOOL**

Delaware public school attendance laws state that every parent, guardian, or other person having legal control of a child between five (5) and sixteen (16) years of age is required to send such child to school in the district of residence each day of the minimum school term beginning the first day of the school year.
When a student accumulates more than three (3) unexcused absences, he/she is considered in violation of district policy and Delaware state law on attendance. According to 14 Delaware C, 2729 and 2730, “Truancy” or “Truant” shall refer to a pupil enrolled in grades K through 12 inclusive who has been absent from school without a valid excuse for more than three (3) days without a valid excuse during a given school year. Parents of students deemed truant will be prosecuted to the fullest extent of the law. Parents found guilty of violating Delaware’s compulsory attendance requirements may be subject to fines and/or imprisonment. The following actions will be considered:

- Parent notification/letter sent home
- Certified letter sent home
- Parent conference
- Visiting Teacher notified
- Possible home visit
- Charges filed in truancy court
- Notification of The Department of Services for Children, Youth and Their Families

**Early Dismissal:**

Departure from school prior to the official ending time. All early dismissals will require a written request from the parent or guardian. The request should include a daytime parental telephone number and the reason for the early dismissal. The note must be given to the Attendance Para in the front office no later than second period on the morning of the early dismissal. Permission for early dismissal requested by telephone is for emergencies only.

In an emergency, persons having legal custody of the student may present themselves at the student’s school office to sign an early dismissal. Upon accumulation of ten (10) unexcused early dismissals per year, the school’s Attendance Review Board will be notified and a formal meeting may be requested. The Attendance Review Boards’ contact with the parents will determine the cause of the student’s excessive early dismissals and offer possible interventions. The school may impose disciplinary action as a consequence for repeated unexcused early dismissals from school.

For safety, we ask parents to park in the parking lot and come into the office when picking up children and to avoid the bus loading area behind the school. All students leaving school early must sign-out in the main office. Failure to follow the above procedures will result in an unexcused class absence and disciplinary action.

**Excused Absence:**

An excused absence is an absence covered under the valid and acceptable excused absences listed in this policy. A signed note from the parent or guardian stating the reason for the absence and the date will be required. It is recommended that the note be submitted the date of the student’s return to school; however, the note must be submitted to the school office no later than two (2) days following the student’s return to the school or the absence will be coded unexcused. Parents, guardians and students must understand that writing a note does not excuse a student for an absence unless it can be classified as a necessary and legal absence.

The following conditions are recognized by the Caesar Rodney School District as being legal and necessary absences:

a. Illness of the child, attested to by a physician, if necessary.
b. The presence of contagious disease at the child’s home subject to regulations of the Department of Health and Social Services.
c. Death in the immediate family or in the home of grandparents. Excused time will not exceed one week. Excused time allowed for the funeral of other relatives will not exceed one day. Additional time may be allowed when services are held at long distances from the student’s home.
d. Legal business.
e. Suspensions or expulsion from school for misconduct.
g. Prearranged Administrative Excuses with documented parental knowledge:
   - College visit.
   - Participation in other educational experiences.
Extended School / Family Trip Absence Request

Parents may request, in writing, permission for their child to be excused from school for a family trip or for approved personal matters. Family trips and attendance at special activities can be classified as "excused" absences if the proper procedure is followed. Forms are available in the attendance office for a "Family Trip" or "Special Activity." The forms must be signed by all of a student's teachers and a parent or guardian and must be returned two days (48 hours) prior to leaving school for approval by the principal. A parent-principal conference may be necessary before approval is granted.

Excuses are granted only to students with favorable attendance and academic records. This letter is requested at least one week prior to the departure. The letter should state the purpose and the date of the absence and must also be signed by the parent/guardian. Upon approval of the principal, a copy of the request letter will be attached to an administrative excuse form that must be signed by the principal. A copy of this form will be sent to the parent. It becomes the student’s responsibility to obtain all assignments before he/she leaves and to complete the assignments prior to their return to school.

Homebound

Instruction furnished by the school district at the student’s place of residence. Such instruction is normally furnished when a student’s medical condition prevents her/him from attending regularly or for an extended period of time, as deemed necessary by a physician in writing.

Make-Up Work

Any student who has an absence from school can make-up class work and assignments missed, if the request is made within a reasonable length of time of the student’s return but not to exceed three (3) days. The time allowed to complete make-up work will equal the time missed. It is the student’s responsibility to take advantage of this opportunity. If the student does not make-up missed work, his/her grade should reflect a failure to comply.

School Suspension:

In-school suspension (ISS) is considered excused, but work must be completed in ISS that day. Out-of-school suspension (OSS) is considered an excused absence. Students are responsible to make up any work or tests that they miss while they are suspended. Tests missed during suspensions should be made-up within three (3) days after the suspension is fulfilled. Arrangements to complete any make-up tests or work are the responsibility of the student.

Tardy:

Students who report to school or first period after 7:30 a.m. are considered late. A student who reports to school after 7:30 a.m. must report to the attendance office. The student must be accompanied by a parent/guardian or have a note signed by a parent/guardian giving the reason for the lateness. Traffic and/or car trouble are considered an unexcused tardy. The attendance officer will give the student a pass to class. A student must attend at least four classes and meet the requirements for an excused late or dismissal in order to be considered present for the day. The third unexcused tardy to school, per marking period, will result in a detention.

Upon accumulation of ten (10) occurrences of unexcused tardiness per year, the school’s Attendance Review Board will be notified and a formal meeting may be requested. The Attendance Review Boards’ contact with the parents will determine the cause of the student’s excessive tardiness and offer possible solutions to the problem. The school may impose disciplinary action as a consequence for repeated unexcused tardiness to school.

Truancy:

Any unexcused absence will be regarded as an incident of truancy. According to 14 Delaware C, 2729 and 2730, “Truancy” or “Truant” shall refer to a pupil enrolled in grades K through 12 inclusive who has been absent from school without a valid excuse for more than three (3) days without a valid excuse during a given school year.
Unexcused Absence

An absence for a reason other than the valid reasons listed in this policy, or an absence with no note. More than three unexcused absences could result in truancy charges being placed against the parent/guardian(s) as provided for in Delaware Code. Upon accumulation of three (3), five (5), and seven (7) unexcused absences, a letter from the school will be sent home to the parents/guardians. The school’s contact with the parents/guardians will determine the cause of the student’s excessive absence and offer possible interventions. Any unexcused absence will be regarded as an incident of truancy.

Any day of summer school, any session of after school/extra instruction, or any session of mentoring which a child is required to attend as an academic improvement activity is in conformity with this policy and shall be considered a school day. A student who is absent during regular school hours because of school-directed or district-approved activities (class trips, field trips, early dismissals for athletic participation, etc.) shall be marked as present for attendance purposes. Exceptions to the Caesar Rodney School District Attendance Policy may be made in cases of severe family hardship or student illness by an appeal to the Attendance Review Board in each school within 10 days of written notice.

Attendance for Extra-Curricular Activities and School Dances

Students must be in school at least four full periods to be eligible to participate in extracurricular activities. Students who are absent on Friday may not participate in weekend activities without permission from the administration. Students who receive a suspension since the date of the previous month’s dance or have demonstrated patterned misbehavior may not attend the dance scheduled for the current month. This includes the 8th grade dance.

Late to Class

Students are expected to be in class, prepared, and on time. If a student is late, he/she will be admitted to class but may be subject to disciplinary action. The lateness is considered unexcused unless the student presents a written excuse with a valid pass, with the time, date, and staff signature. The third unexcused lateness to class, per marking period, will result in a detention. More than 10 minutes late to class, without a pass, is considered cutting class and will result in disciplinary action.

HEALTH

Illness During School

Parents should make certain that the school has an emergency card with current telephone numbers available. Students who become ill during school should obtain a pass from a teacher and report to the nurse. The nurse will decide what should be done. Students should not call or text their parents for pick up from school for illness. Students must not leave the building without authorization. If the nurse is not in, students should report to the main office. If your child vomits, has diarrhea, or a fever above 100 degrees prior to the start of the school day, please do not send them to school. Students sent home for vomiting may not return to school until there has been no vomiting for 24 hours. Students sent home for diarrhea may not return to school until there has been no diarrhea for 24 hours without medication. Students sent home for fever may not return to school until there has been no fever for 24 hours without medication. Students found to have head lice will no longer be sent home during the school day. However, students may not return to school until treated.

Health Screening

All 6th - 8th grade students shall receive a postural and scoliosis screening. The school nurse will notify the parent/guardian if a suspected deviation has been detected. All 7th grade students shall receive a vision and hearing screening. The school nurse will notify the parent/guardian if there is a suspected problem.

Excuse from Physical Education Class

All students are expected to participate in all school activities unless a medical excuse, signed by a physician is on file. In order to be excused from physical education classes over an extended period, students must supply a written statement from a doctor indicating the reason for non-participation and the length of time before the student is to resume physical education activity. A physician’s note is required when the student is cleared to
return to physical activity. Students may only be excused from physical education classes for one day with a note signed and dated by a parent or guardian.

**Medication Policy**
During school hours, prescription and non-prescription medications must be administered by the school nurse, utilizing instructions outlined in this policy. **Students are not permitted to take or possess medications of any kind in school unless THE NURSE GIVES that medication (with the exception of asthma inhalers and EPI pens when a signed permission form is on-file in the nurse’s office). WHenever possible, medication should be administered at home.**

If it is necessary for your child to receive medication during the school day, adhere to the following instructions:
- Parents must complete the appropriate forms for prescription and non-prescription medication administration at school and on field trips.
- Parents must bring the medication to and from school.
- The medication must be in the **original container, with the prescription label attached.**
- The nurse will verify the quantity of pills or liquid as soon as the medication arrives. The school nurse will notify parents immediately if a discrepancy is found.

**GUIDELINES FOR ADMINISTRATION OF NON-PRESCRIPTION DRUGS**
(Adopted by the State Board of Education)
- No medication is to be administered without parental permission.
- A careful history of any allergies, especially to medications, must be noted on the student's school health record.
- A record that includes the date, time, dosage, and purpose must be kept.
- The nurse will assess the particular complaint and symptoms to determine if other measures can be used before medication is administered.
- Medical attention should be sought if symptoms or conditions persist.
- Medications may be considered for the following: dysmenorrhea, orthodontics discomfort, follow-up of known medically treated injuries, general malaise, severe allergic reactions, and skin lesions.
- Proper labeling of containers and proper storage of medication is necessary.
- **Non FDA-Approved Medications or Products:** School nurses will not administer non-FDA approved medications or products. Such products include, but are not limited to, homeopathic, herbal or nontraditional remedies and dietary supplements.
