January 29, 2021
Dear McIlvaine Family,

Today, McIlvaine administration was notified that a staff member and a student at McIlvaine have tested positive for COVID-19. These cases are unrelated to one another and are unrelated to our positive case from yesterday.

Through our contact tracing protocol, we have identified and notified any students who may have been exposed. If you did not receive such a notification, it means we do not believe you have been potentially exposed.

The individuals who have tested positive for COVID-19 and anyone who had close contact with the individuals has been excluded and asked to quarantine.

We always encourage you to monitor yourself for any symptoms of COVID-19. If a student or staff member is sick with any of the following symptoms, please stay home: fever, cough, shortness of breath, sore throat, muscle aches, fatigue, chills, shaking with chills, loss of smell or taste, nausea or vomiting, diarrhea, or headache or congestion or runny nose without a known cause such as allergies. Our school nurse is available to support your family by reviewing symptoms to watch for, answering questions you may have, assisting with follow up communications, and providing further information on available testing sites. COVID-19 testing is free and available in our local community.

DPH encourages all Delawareans – whether you are experiencing symptoms or not – to consider getting a free test. That will help our state more accurately track the spread of the disease and keep our communities healthy.

Visit https://coronavirus.delaware.gov/testing/ for information on free COVID-19 testing in Delaware.

The health, safety, and well-being of our district community remains our top priority. We are following sound protocols aligned with expert health guidance to ensure we are doing everything we can to protect your health. We also want to take this opportunity to remind everyone of the importance of wearing masks, using appropriate safety protocols to mitigate risks, and regularly washing your hands.

We are closely monitoring this situation and will provide you with updates if any further steps are necessary. If you have questions or need to report a positive case of COVID-19, please contact the District’s COVID-19 Coordinator, Dr. Toles Torain at 302-698-4830 or at tamara.tolestorain@cr.k12.de.us. For your convenience and peace of mind, to place an order for a COVID-19 home test kit or test in person, please visit https://coronavirus.delaware.gov/testing/.

Sincerely,

Brook Castillo
