

Veterans' Day Program

W.B. Simpson Elementary

On Tuesday, November 10, 2020 the students and staff will be honoring our veterans throughout the day. We welcome you in joining us in recognizing and celebrating this important holiday. Part of the program will be spent recognizing family members of students who have or currently are serving in the military. The students will be creating a special tribute to their veterans that will be shared on November 10. There will be a slideshow to honor veterans, special guests, as well as musical presentations.

We would like to recognize all veterans in our presentation. Please use the link below to indicate the name of the veteran(s) who you would like to recognize. If you would like to include a picture you can send that to Dawn Evans at dawn.evans@cr.k12.de.us. All names and pictures are due by October 23, 2020
