A filled in circle next to the vaccine (above) and my signature (below) means that I have been provided a copy of the appropriate Vaccine Information Statement and have read, or have had explained to me, information about the disease and the vaccine(s). I have had a chance to ask questions that were answered to my satisfaction. I understand the risks and benefits as set forth in the statement received and I ask that the vaccine, as marked, be given.

Screening Questionnaire for COVID-19 Vaccination

The following questions will help us determine if there is any reason, we should not give you 2020 COVID-19 vaccine today. If you answer “yes” to any question, it does not necessarily mean you or your child should not be vaccinated. It just means additional questions must be asked. If a question is not clear, please ask your clinician.
