

WELCH WEEKLY REMINDER

November 17, 2021

PTA: Our PTA is working hard within Covid constraints to connect you and support our amazing students and fabulous faculty here at Welch. We are building back programs and brainstorming fun ideas for the kids to enrich learning and ways to show the faculty our appreciation. To do this means we need your inputs and your support. Funds that the PTA raised in the past, supported field trip fees and transportation to the field trips, repainting the blacktop with fun activities the kids use every day as well as Spirit Day prizes, Teacher Appreciation treats, and Month of the Military Child prizes just to name a few. PTA Memberships can be purchased at any point during the school year, but you'll only be entered in the raffle if you join by Thurs. November 18th! The raffle winner will be announced Friday the 19th. Membership is \$15 and can be purchased at:

<https://welchelementary.memberhub.com/store>

Students going to breakfast: Please remember that doors open for breakfast at 8:15. This allows students time to come into the building, eat breakfast, and get to their homeroom before the 8:45 AM final bell. We are getting several students coming into breakfast ten minutes before the final bell rings, which students are considered tardy after 8:45 AM, so **please** have your child at school at 8:15 AM if they are going to eat breakfast. Students not in their classrooms at 8:45 AM are considered tardy.

Federal Impact Survey Card: Please fill out and return the yellow cards with your child.
