REGULAR MEETING TO FOLLOW**

The Board meeting scheduled for January 21, 2014 is cancelled due to what is anticipated to be a major snow storm. The agenda items noticed for the January 21, 2014 meeting, as well as the agenda items noticed for the January 27, 2014 meeting, will be addressed at the January 27, 2014 meeting. The items in the agenda for the January 21, 2014 meeting will be deferred to the January 27, 2014 meeting because the need to cancel the January 21, 2014 meeting did not become apparent until the morning of January 21, 2014, and items on the agenda of the January 21, 2014 meeting cannot be deferred until the board's regular February meeting on February 18, 2014.
