

Good evening this message is from Brook Castillo, principal of McIlvaine ECC.

It has been a great week back to school since Spring Break. The students are doing a great job and are really showing us that they are ready for first grade.

First, I wanted to remind parents to please return the permission slip for our trip to the Salisbury Zoo next week. This was sent home prior to the break and teachers were instructed to send more forms home yesterday and today for those that had not yet returned a signed permission slip. Remember, your child is not allowed to attend the field trip without a signed permission slip.

Also, tomorrow is the final day to order a yearbook. You can stop by the main office to purchase your yearbook in person or you can head to McIlvaine's webpage and order online. The cost of the yearbook is \$20 and it does come in full color with individual class photos as well as collage pages.

Thank you and have a great evening.
