

Good evening this message is from Brook Castillo, principal of McIlvaine ECC.

First, thank you to all the families and friends that were able to attend our graduation ceremonies today! It was a memorable day and we appreciate all of your support today and throughout the past school year.

If you'd like to purchase a keepsake DVD of today's ceremony and were unable to complete an order form at the high school today we will send an order form home tomorrow and we will have an order form posted on our school website shortly. As always you can stop by the main office to complete an order form as well. The cost of the DVD is \$15 and we will accept cash or checks made payable to CRHS. DVDs will be delivered to McIlvaine prior to the end of June and we will make a call to parents letting you know when your video is available for pick-up.

Also, please do not forget that tomorrow, Wednesday, and Thursday are half days and we will begin dismissal at 12:30. If your child rides the bus this means that their bus will arrive approximately three hours earlier than their regularly scheduled time. Please be sure you have an adult or person of babysitting age available to meet your child at the bus stop.

If you need to arrange alternate transportation home due to the abbreviated day please be sure to let your child's teacher know.

Finally, please don't forget that Thursday is our last day of school! Please continue to send your child to school with a book bag as several odds and ends will be sent home over the last few days including items such as yearbooks, memory books, and report cards.

Thank you and have a great evening.
