

CAESAR RODNEY SCHOOL DISTRICT

District Reopening Plan

August 2020

Reopening Plan

Stage I

Stage I:

- The District would start with remote/hybrid learning for 6 weeks from September 8th – October 16th.
- During this period of time it is our intention to provide small group instruction, assessments, evaluations and specialized programs for students.
- We believe we can meet Delaware Department of Education (DDOE) and Delaware Public Health (DPH) guidance regarding transportation and safety by phasing in the return of in-person school. Staging in this manner will allow us to utilize all of our buses and custodians to provide additional support.

Note: These dates are subject to change.

Stage II

Elementary Grades K-3rd and all CRCWP onsite and offsite programs would return on October 19th. CRCWP offsite programs will return to their assigned middle school buildings.

EIP (Early Intervention Program) and Elementary Grades 4th-5th would return on October 26th.

- Students whose parents have selected hybrid will receive two days of in-person instruction a week, with three days of remote learning. This will be based on a number of factors:
 - the number of parents choosing hybrid,
 - the ability to transport students, and
 - the ability to maintain safety standards.
- On October 19th, students who selected the hybrid option in grades K – 3 and the CRCWP onsite and offsite programs will return for the two days in-person / three days of remote instruction.
- On October 26th EIP students and grades 4 – 5 will return.
- Students whose parents opt for only remote learning will receive the same curriculum being provided to those who selected the hybrid model of instruction.

The Johns Hopkins University has recommended bringing students in for two days then cleaning and the bringing in a second group for the next two days.

Reopening Plan

Stage IV

In this stage we would begin to implement the hybrid model at the high school. The return of in-person high school instruction will begin on November 16th.

- All high school students whose parents selected the hybrid model will return for face-to-face instruction, at a minimum of 1 day per week.

Note: Charlton CRHS students will continue with their programming at CRHS.

1:1 Chromebook

- The Caesar Rodney School District is implementing a 1:1 initiative this year to support instruction in all settings. All students will need to use school issued devices to ensure student safety and classroom security.
- Each student will be issued a Chromebook and participate in the \$20 [insurance protection plan](#). Please reach out to your child's school if you have questions.
- Schools will make arrangements to hand out devices prior to September 8th.
- If you do not have connectivity or need support with Wifi, please contact your child's school as we may be able to assist.
