September 30, 2020

Dear Parents/Guardians,

We are so excited to be working with our students and exploring the new schedules in place for the 2020-2021 school year. We have been busy bringing in small groups of students and look forward to starting our hybrid schedules.

Traditionally, we would have been preparing to send home our first interim progress report by next week. For our elementary students, we will not be issuing progress reports for the first marking period. Instead, we will communicate the results of the beginning of the year assessments that were completed. Teachers will share these results with you by 10/26/2020. If you have any questions or concerns about your child's progress, please contact your child's teacher.

Thank you for all of your support.

Sincerely,

Tara Faircloth
Director of Curriculum and Instruction
