Dear Families,

Welcome to our screening and monitoring program. Because your child's first 5 years of life are so important, we want to help you provide the best start for your child. As part of this service, we provide the Ages & Stages Questionnaires, Third Edition (ASQ-3), and the Ages and Stages: Social Emotional 2 (ASQ:SE:2) to help you keep track of your child's development. Developmental screening is very important, like vision and hearing screenings. The earlier delays are identified, the earlier they can be addressed before they grow larger.

The questionnaire will be provided at least one time per year. You will be asked to answer questions about some things your child can and cannot do. The questionnaire includes questions about your child's communication, gross motor, fine motor, problem solving, personal social skills and interactions with adults and children.

If the questionnaire shows that your child is developing without concerns, we will provide some ideas about how to encourage your child's development and provide the next questionnaire at the appropriate time. If the questionnaire shows some possible concerns, you will be contacted about getting a more involved evaluation for your child. Information will only be shared with other agencies with your written consent. We look forward to your participation in our program

We are currently working with the Birth to Three program to complete screenings. When completing your child's profile, please answer the question, "Where does your child attend preschool by noting \_\_\_\_\_ . Please complete the screening by \_\_\_\_\_
