The Down Syndrome Association of Delaware is looking for volunteers for our upcoming summer camps and would love to see some volunteers from Caesar Rodney!

We are hosting two camps throughout the state this summer. The first one is our annual Days of Summer Camp. This camp is a fun day camp experience for children with Down syndrome ages 3-13 years and their siblings ages 3-10 years. Children are provided with the traditional camp experience with crafts, games, and many other exciting activities, at no cost to their families. Volunteer counselors will be paired with a camper and will receive at least 40 hours of documented service for their time. This is perfect for National Honor Society students or those looking for lots of volunteer hours. The camp in Kent County will take place at North Dover Elementary School from July 11-15. We also host this camp in New Castle and Sussex Counties.

The other camp is iCan Bike Camp, which is open to anyone ages 15+. Volunteers only have to commit to attend a 75-minute session each day for the week, and assist an individual with a disability as they learn how to ride a bike. This is perfect for athletes, parents, etc. and is much less of a time commitment than the first camp. This camp will take place at St. Edmond’s Academy in Wilmington from July 18-22 and in Georgetown from July 25-29.

Silent Helpers is hosting a fundraiser for mental health awareness as we close out the month of May. During all lunches from May 31 to June 3, any donation of at least $1 will be rewarded with a vibrant, animal-shaped squishy toy. All proceeds will be donated to NAMI Delaware. The Silent Helpers team thanks you for any and all support.
