

Rider Stadium Commemorative Ornament Order Form

The CRHS Art Program is selling ornaments commemorating Rider Stadium as it stood from 2004-2018. Each ornament will be hand-painted, by Art III and AP Studio students, with an interlocking "CR" and the traditional horse and rider, and each ornament will also contain some of the field from beneath the 50-yard line.

The ornaments will be signed and numbered by the student-artists, and there will be a limited run of 100 ornaments. Don't miss your chance to own a piece of CR History!

All ornaments will come in a gift box and be available for pick-up the week of December 17th, just in time for the Holiday Season.

Completed order forms and payments can be turned in directly to Mr. Sample in room B108, or at the Front Office of Caesar Rodney High School. Please make any checks payable to "Caesar Rodney High School".
