

7 Front Street, Wyoming, Delaware 19934

Kindergarten Registration

Due to COVID 19 and the governor's directives, kindergarten on-site registration will be postponed. In order to plan for our incoming kindergarten students, please start your registration using one of the options listed below.

Option 1: Download the registration packet on our website (crk12.org). Email the completed application with a copy of proof of residency, state issued ID, and birth certificate to brook.castillo@cr.k12.de.us (McIlvaine Early Childhood Center) or jason.payne@cr.k12.de.us (Major George S. Welch Elementary). Once the packet has been submitted, you will receive confirmation that the packet was received as well as information concerning next steps in the registration process. At a later date an appointment will be scheduled to finalize the registration process.

Option 2: Pick up a packet from any one of our schools or at the District Office. Please call the main office at the school where you would like to pick up the packet. Once the packet is complete you may return the packet by email to the building principal or drop it off at any of our schools or the District Office between 8 am - 4 pm. After your packet has been reviewed you will receive an email or phone call confirmation as well as information concerning next steps in the registration process. At a later date an appointment will be scheduled to finalize the registration process.
