Superintendent

November 12, 2020

Dear Parents,

Today, the Caesar Rodney School District administration was notified by the Department of Public Health (DPH) that two students at Allen Frear Elementary School and a staff member at the Caesar Rodney District Office have tested positive for COVID-19. The students at Frear are on schedule "B" and have not been in school since Friday, November 6<sup>th</sup>.

Through our contact tracing protocol, we have identified and notified all families whose students may have had close contact with the individuals who tested positive or who may have been exposed, as well as all staff members who may have been exposed. If you did not receive such a notification, it means we do not believe your child has been potentially exposed.

The individuals who has tested positive for COVID-19 and anyone who had close contact with the individuals has been excluded and asked to quarantine.

Primary symptoms of COVID-19 include shortness of breath, coughing, and fever or chills. Other symptoms include congestion, sore throat, diarrhea, abdominal pain, body aches, and loss of taste or smell. Please contact your supervisor if you begin to experience symptoms.

The health, safety, and well-being of our district community remains our top priority. We are following sound protocols aligned with expert health guidance to ensure we are doing everything we can to protect your health. We also want to take this opportunity to remind everyone of the importance of wearing masks, using appropriate safety protocols to mitigate risks, and regularly washing your hands.

We are closely monitoring this situation and will provide you with updates if any further steps are necessary. If you have questions or need to report a positive case of COVID-19, please contact your school nurse or the district's COVID-19 Coordinator, Dr. Toles Torain at 302-698-4830 or at [tamara.tolestorain@cr.k12.de.us](mailto:tamara.tolestorain@cr.k12.de.us). For your convenience and peace of mind, to place an order a COVID-19 home test kit or test in person, please visit <https://coronavirus.delaware.gov/testing/>.

Sincerely,

Kevin R. Fitzgerald, Ed. D.  
Superintendent  
Caesar Rodney School District
