

The Simpson Source for January 11, 2017

We had a spectacular return to school last week from the holiday break; all of the students and staff were excited to be back in school. We have a new after school club starting next week, the Unicycle Club. Thanks to Mrs. Scott for sponsoring this club for students in grades 3-5. Enrichment clubs with the essential arts teachers are starting this week. Once a week, the students attend a special club of their choosing on their double special day. This lasts for six weeks. Thanks to our essential arts teachers for coordinating this awesome experience for our students.
