

Good evening, this message is from Brook Castillo, principal of McIlvaine Early Childhood Center.

I hope that all our McIlvaine families were safe and warm during this weekend's snowstorm!

Tomorrow, Tuesday, January 10th the Caesar Rodney School District will operate on a 2 hour delay. This means that McIlvaine will open its doors for students at 10:30. If your child rides a bus to school please add 2 hours to their regularly scheduled pick-up time. For example, if you normally arrive at your bus stop at 7:55 am tomorrow you will need to arrive at your bus stop no later than 9:55 am. Please wait patiently for the bus to arrive. There may be delays in routes due to road conditions.

Since we did not have school today, tomorrow Tuesday, January 10th will actually be the 79th day of school! Therefore, we will celebrate 80s day on Wednesday, January 11th.

Thank you and have a great evening!
