Dear W. R. Brown Families,

Happy Holidays! This festive time of year at W. Reily Brown is always exciting. Students will be learning about holidays, traditions, and cultures from around the world as we prepare to celebrate the season during annual Holiday Culture Festival. Classrooms, hallways, and our cafeteria will be adorned with festive decorations, bringing cheer to our WRB community.

As mentioned above, this month we are happy to host our second family event, a Drive-thru Holiday Culture Festival on Thursday, December 16th from 5:30 p.m. – 7:00 p.m. Please note the change in time as we plan to start this event a little earlier than usual. We welcome you to enjoy beauty of our campus as your children fill their stockings at the stops along the way. A dinner treat will be provided along with hot chocolate and other yummy goodies. This is sure to be an event to remember.

During the week of November 29th students will be able to shop for their loved ones at our Secret Santa Shop.

We wish you and your loved ones a joyous and peaceful holiday season.
Family Time: The holiday season can be a busy and stressful time of year. Habit 7, Sharpen the Saw, is the leadership practice of daily renewal for your body, heart, mind, and spirit. It is the habit that gives us the capacity to face the more difficult challenges in life. We have provided some fun family activities for you to sharpen the saw with your loved ones.

Winter Eyes
by Douglas Florian

Look at winter
With winter eyes
As smoke curls from rooftops
To clear cobalt skies.

Breathe in winter
Past winter nose:
The sweet scent of black birch
Where velvet moss grows.

Walk through winter
With winter feet
On crackling ice
Or sloshy wet sleet.

Look at winter
With winter eyes:
The rustling of oak leaves
As spring slowly nears.

December 21st: Winter Solstice Day – Winter Solstice marks the day with the fewest hours of daylight in the Northern Hemisphere. It also signifies the first day of winter.

- Go on a Winter Solstice walk, visit a local state park or even a stroll around your neighborhood. If it’s dark bring a flashlight or headlamp to make is a special nighttime adventure.
- Decorate an outside tree with edible treats for wild animals. Spread peanut butter and bird seed on pinecones that you can hang like an ornament. Slice oranges, apples or pears and hang on strings. String popcorn and cranberries on thread and hang like garland.
- Eat a Winter Solstice feast by candlelight.
