# COVID-19 DASHBOARD

Week of November 15, 2021

This dashboard features COVID-19 data for the Caesar Rodney School District. It includes cases, positivity rates, and other information relevant to students and staff in our schools on a weekly basis. Please note: This data only reflects that an individual has been reported as an active COVID-19 case or placed on quarantine during the week starting from Monday to Sunday for the listed building. The individual will not be re-identified in the next week's data, even if still under isolation or quarantine. Charlton staff and students off site will be reflected as a case in the building of attendance.

An active case indicates that an individual has been tested and received a report verifying an acute infection of the virus that causes COVID-19. This dashboard is updated daily by 5pm.

Positive Cases by Level

Total Active Student Cases ■   Total Active Staff Cases ■

Level	Student	Staff
Elementary	20	5
Middle School	12	3
High School	5	0
Other	1	0

NOTE: "New Cases" are included in "Total Positive Cases" and "Total Cases" for students and staff.

Select Your School ▼   Level ▼

School	Status	Staff in Quarantine	Total Positive Staff Cases	Students in Quarantine	Total Positive Student Cases	Total Positive Cases ▼
Star Hill Elementary	Open	0	1	35	8	9
Postlethwait Middle School	Open	0	1	13	6	7
