- Yes
- No

Collaborate with the Home Building to complete and submit a referral to CWP

Convene an IEP team meeting to discuss a referral to the CWP

Please Note:
The Countywide Programs serves students with complex learning needs by referral of any district in Kent County (Capital, Caesar Rodney, Smyrna, Milford, Lake Forest). Students must first be registered within their home district and request to make a referral to the Countywide Program.

Unfortunately, we do not directly enroll students without a referral.
