What is the FISH Philosophy?

FISH is a classroom management philosophy involving the students, parents, and teachers to establish and maintain a supportive learning community in the classroom. FISH helps us to make our classrooms more caring, increases taking responsibility for our actions and attitudes, and motivates us to take ownership of our academic achievement.

We would like to invite you to explore this new philosophy with us!

FISH helps students and teachers build effective relationships and build an emotionally and physically safe atmosphere of engagement and fun. The FISH philosophy started with a group of fishmongers in Seattle who, despite their less-than-desirable work, brought amazing energy, focus and accountability to their jobs. As we begin to explore FISH, your child might start talking about the four FISH principles at home, so ask them what these mean. To help you in your conversation, here's a little glossary:

**Be There** - When we interact with others, we need to really focus on that moment with that person. We take responsibility for “being who we are while we’re doing what we’re doing.”

**Choose Your Attitude** - We cannot control what happens to us, but we do have a choice about how we respond. By accepting responsibility for the attitude we choose, we also empower ourselves to change it.

**Make Their Day** - Too often we ask, “What have you done for me lately?” instead of “How can I make your day?” If we turn the focus around and do little things to make others feel good, we can have a powerful, positive impact on the people in our lives.

**Play** - This does not mean goof off, but it does mean bring a light-hearted spirit to life.

Think about how much little kids learn by exploring, experimenting, and playing. Why shouldn’t we all approach life with the same curiosity and interest? Besides, it’s fun to have fun! If you want to learn more about FISH, talk to your child, ask us, or go to www.fishforschools.com. Change is challenging, and great things take time, but if we all work together, there is no limit to what we can achieve. Thanks for being part of our educational team. Your child will be a more successful person because of you.

We are looking forward to be a fabulous year!
Volunteer Information Sheet for Parents and Guardians

✓ A volunteer is an adult who is left alone to supervise students. Volunteers may include tutors or chaperones on a school trip.

✓ A visitor is an adult who comes into a classroom or goes on a field trip, but is always in the presence of a teacher or administrator.

✓ Volunteers are required by State of Delaware code to have a criminal background check.

✓ Volunteers who are already on the CR Volunteer List do not need to get a new criminal background check or complete a new packet.

✓ New volunteers should obtain a volunteer packet from their child's school. The school will submit the completed packet to the Office of Human Resources. Once all clearances and paperwork is received, the volunteer will be added to the CR Volunteer List.

✓ To continue as a volunteer beyond 5 years, a new TB survey must be completed. If there is a lapse in enrollment after 5 years, a new packet and new criminal background check are also required.

✓ Volunteers currently employed by other State of Delaware agencies may request that their agency send to CR Human Resources a "true copy" of their criminal background check that is signed and dated by their agency official.

✓ The school principal will determine if you need a volunteer packet for if you are considered a visitor to the school.

Thank you for helping our students by serving as a visitor or volunteer!
