President Marelli moved the appointment of the John S. Charlton School (item A. 1) to after the next Executive Session.

Presentations

Studio JAED gave a presentation on the Facility Master Plan for the district. Guiding principles, demographic data, site analysis, and community demographics were few of the things shared. Graphs and maps for enrollment were shared for all schools. The difference between a Demographic Projection vs. a Demographic Forecast was discussed. Enrollment predictions were also shared. The enrollment peak is projected for 2023-2024. Building capacity vs. forecasted enrollment data graphs was shared. The new David E. Robinson Elementary School was not included in the data so the district will have options. Recommendations and a timeline were shared with the Board. Dr. Denman asked about the capacity for the high school. Based on projected enrollment and the additions we have made to the high school the district will meet the growth there. Mr. Failing agreed with the presentation and thanked Studio JAED for the detailed presentation. Dr. Fitzgerald shared his information on a new development of 258 family lots in Magnolia. Studio JAED will verify this to make sure it is on the radar.

Communications
Dr. Fitzgerald communicated the following to the Board:

- Dr. Fitzgerald thanked Studio JAED for their presentation and for their work on the addition to the high school.
- Dr. Fitzgerald thanked Col. Schaff for his service and to wish him and his family well at his new base.
- Dr. Fitzgerald let Dr. Noel and his family know that we are thinking of them as they deal with the final stages of his father's illness.
- Dr. Fitzgerald commended Mrs. Tara Faircloth and her team especially Carrie Bush and Lauren Bolden for their work in making remote learning successful. He also commended and thanked the Curriculum and Instruction Division for setting up an Instructional Hotline to support parents as they support their children.
- Dr. Fitzgerald thanked Mr. Paul Rodgers and his Child Nutrition team for serving over 136,890 meals since March 16th.
- Dr. Fitzgerald gave a meeting update to the Board. DEFACT was to have met yesterday, but they will now meet on 5/21, and Dr. Fitzgerald will meet with OMB on 5/27. He stated, "I would say at this point we anticipate finishing this school year without any significant decrease in funding. Next year will depend on federal intervention and state and local tax revenue."
- Dr. Fitzgerald shared in her report this evening, Dr. Toles-Torain will address some minor calendar changes. The student's last day remains June 16th and the teacher's last day remains June 19th.
- Dr. Fitzgerald shared the Department of Education and OMB are working on language that would allow for an extension of six months for vacation days in excess of 42 days for 12-month employees. They can only carry over so many days each year otherwise they are lost.
- Dr. Fitzgerald stated we have been informed that plans should be made for a virtual summer school program. We have asked for an exception with our Charlton students and we are awaiting an answer. Dr. Fitzgerald stated we continue to ask for an answer to the summer school driver's education issue. They have told us that they may have to allocate funds out of our Cares Act money to cover the additional expense of having this year's students drive in the fall.
- Dr. Fitzgerald took a moment to thank our secretaries and our administrators for keeping the lines of communication open and in essence keeping our schools open during remote learning.
- Dr. Fitzgerald invited the high school principal, Dr. Sherry Kijowski, to discuss graduation. She shared the things they have been doing for the seniors this year. The virtual flipbooks, senior recognition, and social media updates were mentioned. She continued and mentioned the electronic billboard for the seniors. Plans are continuing for graduation.
- Dr. Fitzgerald asked each director to give a briefing on their departments.
  - Mrs. Faircloth shared updates including the wifi spots, child nutrition lunch bus, therapist's ZOOM accounts, transportation delivering materials to staff, and virtual summer school plans.
  - Mr. Thompson thanked all staff and the support they are giving to provide instruction to our students, staffing for next year. Charlton graduation, the nurses are planning for the fall, the custodial staff has now started the summer schedule and planning for opening the schools.
  - Mrs. Judy shared her department is supporting all other departments with their needs, extra supplies and equipment are being purchased, she stated thing shared running smoothly.
  - Dr. Toles-Torain shared the calendar revisions. June 2nd will still be an in-service day, the last school days for students have been modified. June 12th will now be for grading with no teacher office hours. The other days will be remote learning days for students. She shared the visiting teachers are now out visiting homes. Student attendance is averaging 82% during remote learning and paper/pencil packets. 7% of 82% are using paper/pencil packets. She is hopeful the number will improve.
  - Mrs. Faircloth stated hot spots and Chromebooks are still being handed out throughout the district. Additional devices are distributed as we have them. Mr. Failing was impressed with the 82% attendance with remote learning. He is very proud of the amount of energy given to make this process happen. Mrs. Faircloth stated next year our goal is to provide a device to every student. President Marelli was impressed with the finances which does not include a license for using ZOOM as it is given to us to use for no fee.
Dr. Fitzgerald continued with his thoughts on the increasing enrollment especially at the middle school level. He is hoping for legislative support as we look for creative ways to support this.

School Board

Dr. Denman loves the virtual flipbooks for the seniors. She enjoys seeing them on social media and reading their quotes. This is making a big statement.

Mr. Marasco echoed Dr. Denman’s statement and thanked the high school staff for everything they have done. He also thanked all staff including Dr. Fitzgerald and the administrative team.

Dr. Fitzgerald stated this year’s high school yearbook was very impressive. He gave kudos to the yearbook staff.
