Good afternoon this message is from Brook Castillo, principal of McIlvaine Early Childhood Center.

I appreciate your patience as I update you with several end of the year notes!

First, today was the final day of Remote Learning. We appreciate all of your support and perseverance in getting your child logged in and learning daily. We know this wasn’t an easy task to tackle every morning!

Second, report cards have been completed and placed in the mail. You should receive your child’s report card prior to the end of the week at the address we have listed as “Home Address” in our school records. If you need an additional copy please contact the main office at 302-335-5039 to let us know.

Third, tomorrow is the big day, Kindergarten Graduation! I have posted some frequently asked questions on our website along with information about the big day. However, in order to be good neighbors to our friends in the Town of Magnolia as well as one another I ask that you adhere to the following:

1) Please DO NOT arrive earlier than your scheduled time. There is no room to stage cars in the Town of Magnolia. If you arrive early you run the risk of your child’s teacher not being outside at their assigned post.

2) Please have your student sit on the driver’s side in the backseat so they are able to roll down their window and wave to their teacher & other staff as well as take a picture with their teachers.

3) As you arrive at the school please tune your radio to 98.3 FM. We have music and speeches that you can play through your car radio.

Fourth, yearbooks have not yet arrived and we still do not have any information from Josten’s on their arrival. We understand this is frustrating for you as it is frustrating for us as well. However, we will keep parents posted on the arrival of the yearbooks! We are hoping it is soon!

Finally, many parents have asked what they need to do in order to register their child for first grade. You don’t need to do anything! Your child’s records and information will automatically roll to next year’s school. If you are unsure of where your child will attend school next year please reach out to your child’s teacher or call our main office at 302-335-5039.

Thank you and rest up for our big day tomorrow!
