NEGOTIATIONS GOALS/PRIORITY OBJECTIVES

The Caesar Rodney School District Board of Education believes that all policies, plans, and regulations are directed toward the main goal of providing a quality education for each student in the District. The Board also believes that it is responsible to the residents of the District for the level of educational services that are provided by the employees of the District.

To this end, the Board recognizes the critical role that employee groups have in the educational process. All employees of the District are covered by one of two types of Agreements. The first is a Negotiated Agreement through collective bargaining as specified in the Delaware Code. The second type is Meet and Confer Agreements for employee groups not included in the collective bargaining process.

There are two Negotiated Agreements in effect for specific employee groups:

- The Agreement Between the Caesar Rodney Education Association and the Board of Education—This Agreement covers all teachers and instructional paraprofessionals.
- The Agreement Between the Caesar Rodney Support Association and the Board of Education—This Agreement covers all custodians.

There are four Meet and Confer Agreements in effect for specific employee groups:

- Administrators Meet and Confer Agreement—This Agreement covers all administrators, including directors, supervisors, principals, and assistant principals.
- Secretarial/Clerical Meet and Confer Agreement—This Agreement covers all secretaries and clerks.
- Maintenance Mechanics Meet and Confer Agreement—This Agreement covers all maintenance mechanics and skilled craftsmen.
- Food Service Meet and Confer Agreement—This Agreement covers all food service employees.

It is the intent of the Board to negotiate through its designated representatives with employee groups covered by both Negotiated Agreements and Meet and Confer Agreements in an open and fair manner. In addition, the Board authorizes the Superintendent or his/her designee to negotiate with employee groups that are covered by Meet and Confer Agreements. Once agreement has been reached, the Meet and Confer Agreements are presented to the Board of Education for approval.

NEGOTIATIONS LEGAL STATUS

The Caesar Rodney School District Board of Education engages in negotiations with employee groups covered by collective bargaining agreements within the requirements of and limitations as specified in the Delaware Code. The Delaware Code specifies the process through which an employee group becomes certified as the exclusive representative of an employee group as well as the process leading to collective bargaining agreements. The Board is committed to negotiating in good faith with the authorized collective bargaining associations.

Employees not covered by negotiated agreements are covered under provisions of Meet and Confer Agreements. Although Meet and Confer Agreements are not collective bargaining agreements, the Superintendent or his/her designee is authorized by the Board of Education to negotiate in good faith on all matters relative to the working conditions and expectations of the employee groups covered by Meet and Confer Agreements. Once a Meet and Confer Agreement has been revised through dialogue between the Superintendent and the representatives of the particular employee group, the Agreement is presented to the Board for approval.
